MEET THE HEADING FOUNDERS & DIRECTORS

Rahul Thakur was born and brought up in India, after passing out from school. He moved to London to pursue his further studies. He did his Diploma in International Business Management from Wandsworth College London UK, where he met with Wendy Winterburn. He started Forex Trading at Meta Trader 3 in 2008 and did few business like Textile Factory and Real Estate with small investments in crypto where he collected some good knowledge about the industry. Now with Wendy Winterburn, they are starting a project with a long-term vision to create an empire with the crypto community of the world.

-Rahul Thakur

Wendy Winterburn is born and bred in Herefordshire UK. After she left school she studied at the local technology college to become a Secretary. She started her admin career at a local firm of solicitors. She has subsequently worked at various legal firms and also the mid-tier and local level firms of accountants. She decided at 40 to enter into the world of crypto being an entrepreneur leading to this opportunity of crypto currency and decided to create a coin!
